

Indemnity - for Monument

Cemetery: _____

Ref No: _____

Deceased name: _____

Location of burial place: _____

Whereas:

- A. I _____ (the Holder of Right of Interment) as the person with the exclusive right of burial in the above burial place (the "Burial Place"), or as the person with the authority to sign the *Application for Approval to Inter Cremated Human Remains/Application for Interment Authorisation*, have applied to the Southern Metropolitan Cemeteries Trust for permission to allow a grave/vault to be dug in the Burial Place.
- B. A monument or tombstone is already erected on the Burial Place.
- C. Southern Metropolitan Cemeteries Trust requires the Holder of Right of Interment to provide an indemnity to the Southern Metropolitan Cemeteries Trust on the basis that should the permission be granted, and the monument or tombstone suffers movement or any damage whatsoever as a result of re-opening the grave/vault, or the works associated with the re-opening, then the Southern Metropolitan Cemeteries Trust will be fully indemnified in respect of any claims which may arise.
- D. The Holder of Right of Interment has agreed to provide the Southern Metropolitan Cemeteries Trust with an indemnity.

Therefore:

1. The Holder of Right of Interment acknowledges that the existing monument or tombstone may be structurally inadequate or not constructed to a standard which is currently acceptable.
2. The Holder of Right of Interment accepts that as a condition of carrying out the work requested the Southern Metropolitan Cemeteries Trust require an indemnity and the Holder of Right of Interment hereby indemnifies and shall keep indemnified Southern Metropolitan Cemeteries Trust and hold it harmless from and against all claims, actions, liability, loss, damage or expense arising from movement of the monument or tombstone as a result of the grave/vault being dug, reopened, or from work associated with the reopening.
